Iowa State University Billing and Payment Terms and Conditions

Billing

- I am responsible for all charges assessed to my U-Bill at ISU or any subsequent charges following my withdrawal or cancellation of courses or departure from ISU.
- I am liable for any costs associated with programs in which I have voluntarily enrolled even if they are not processed through my University account. These costs may consist of purchases made on my behalf that are associated with a course or University-associated activity.
- In the event my mailing address, e-mail address, or phone number change, I will notify the Accounts Receivable Office of the change. Failure to ensure current contact information is on file with ISU does not absolve me from responsibility for any outstanding charges.
- I understand that administrative, clerical, or technical billing errors do not absolve me of my financial responsibility to pay the correct amount of tuition, fees, and other associated financial obligations assessed as a result of my registration at ISU.

Payments

- Payments are due within 20 days of the University billing statement date unless otherwise noted.
- I may elect to pay my University bill by direct debit from my checking or saving account.
- If I pay by check, I will make my check payable to Iowa State University and indicate my customer number on the check. I will send it to the address indicated in the University billing statement.
- In the event a payment is dishonored due to insufficient funds or otherwise, a \$30 return fee will be assessed against my University account. I am responsible for all dishonored payments, including dishonored payments made by third parties to whom I have granted access to my account.
- Financial aid awards will be applied against the total balance of my University account if the award allows.
- If you pay by check, you will make your check payable to Iowa State University, indicate your student ID or billing account number on the check.
- You may elect to authorize payments to pay your university bill by credit card through the Ubill in Workday and Nelnet. ***Our Card service provider will charge a service charge of 2.85% for domestic cards.***
- I may have credit balances on my university account directly deposited into my bank account. I can initiate or change your direct deposit information in Nelnet which can be linked through Workday.

Delinquent Account, Set-Off and Collection

- I understand and agree that if I fail to pay my student U-Bill or any monies due and owing to ISU by the scheduled due date, my account is subject to the following terms and penalties:
 - Denial or cancellation of future term course enrollment.
 - ISU may place a financial hold on my student account, preventing me from registering for future classes and/or on campus housing, charging privileges will be suspended, requesting transcripts, or receiving my diploma.
 - The account balance will be accelerated. An accelerated account is considered past due and payment in full required. The account will not have the opportunity to participate in a payment plan for the current semester.
 - There will be a FINANCE CHARGE (late payment charge) computed at a periodic monthly rate of 1% per month on the balance or an ANNUAL PERCENTAGE RATE of 12% when computed from the billing date.
 - The University may report the delinquent account activity to one or more national credit reporting agencies.
 - The University may pursue any rights or remedies that are available to it at law or in equity in order to collect the portion of your U-Bill which is past due. If I fail to timely pay any portion of my U-Bill in full by the date it is due, as part of exercising its rights, the University may, at its option, turn over for collection the portion of my U-Bill which is past due to an attorney or other third party, such as a collection agency. If that occurs, I agree to pay, in addition to my unpaid U-Bill balance, all reasonable costs and expenses of collection, including reasonable court costs, attorney's fees and/or collection agency fees and charges.
- I authorize the University to provide my contact information (including mobile phone, home phone, and/or email) to the University's agents, representatives, attorneys and contractors (including collection agencies) for purposes of collecting any portion of my U-Bill.
- I authorize the University and its agents, representatives, attorneys and contractors (including collection agencies) to contact me through my mobile phone, home phone, and/or email, including by way of text and automated message calls, for purposes of collecting any portion of my U-Bill which is past due.
- The University reserves the right under Iowa Code Section 421.65 to offset any amount I owe the University against any monies owed to me by the State of Iowa, such as State of Iowa tax refunds, lottery winnings and vendor payments.
- The University reserves the right to offset any amount I owe the University against any credit balances I have in any University account, whether the account is managed by the University or an agent acting on behalf of the University. The University may offset even if I have entered into an agreement with the University to repay my overdue payments.
- This Agreement and covered transactions are made and governed under State of Iowa substantive law without regard to conflict of laws rules. Any disputes or claims against the University related to these electronic Agreements or transactions must be brought within a court of law in Story County where the debt was incurred.
- This agreement supersedes all prior understandings, representations, negotiations, and correspondence between the student and ISU regarding your financial obligations to the University, constitutes the entire agreement between the parties with respect to the matters described, and shall not be modified or affected by any course of dealing or course of performance. This agreement may be modified by ISU if the modification is signed by me. Any modification is specifically limited to those policies and/or terms addressed in the modification.
- If any provision, term, or clause of this Agreement is declared illegal, unenforceable, or ineffective in a legal forum with competent jurisdiction to do so, this Agreement shall be deemed severable, and all other provisions, terms, and clauses of the Agreement will remain valid and binding on the Parties.

Dispute of Charges

- I will send communications regarding any dispute of a charge on my University billing statement (including any checks marked "paid in full" or with similar notations) to Room 0880 Beardshear Hall, 515 Morrill Road, Ames, IA 50011-2103 within 10 days of the date of the University billing statement. I will include the following information with the communication: customer name, account number, the dollar amount that is disputed, a description of the error, and an explanation of why I believe there is an error.
